## Conditions of Entry

Every artist must provide one original A6 size postcard in addition to their selection of work. This postcard will be entered in a charity auction to raise money for the upkeep of the village hall.

**Artworks** - Original paintings, drawings, prints, two-dimensional textile works and sculpture (of inorganic materials only) are admissible.

Work must be stable and secure.

Works must be the property and work of the artist.

**Number of Works** - Artists may submit up to 5 works. (Number restricted because of reduced space available.)

**Fittings** – Work must be appropriately presented or framed, including the ability to be hung. We will not be providing any forms of fixings in order for your work to be displayed onto a wall space.

**Labels** - Works must have two labels: one pasted or taped securely to the back of the work and one attached by string to hang in front of the work to aid cataloguing and which will be removed when this is completed. Each label must show: artist (including name, address, contact number and email), title, medium, price (or NFS if not for sale), and the number allocated for the work.

Contact details will not be visible to the public.

**Sales** - Although not obligatory, works may be offered for sale. Prices will be understood to include the frame. A commission of 10% will be taken on all works sold.

**Collection** - Works MUST be collected at the times specified (this information will be available to you closer to the exhibition date.)

**Insurance** – It is at artists own risk if you do or do not insure your work. We will not be providing any insurance for you.

**Disclaimer** - We will take the utmost care of works submitted but cannot be held responsible for any loss or damage that might occur.
